	Bus will leave at 4:00 PM			

Musicians had to pay for their own motel rooms.

We could choose to have a single, double or triple.

Most of the time guys did doubles. But, if a triple wasn't available and three guys wanted one, they would "ghost" and one would sneak into the double room and sleep on floor.

Life on the road in 1982 with Glenn Miller.

The **MILLER SOUND** lives forever!
